DECLARATION OF COMPLIANCE

ECHO® GLASSINE COLORED GRADES, standard and slip easy

We herewith confirm that Glassine papers produced in Glatfelter OberSchmitten GmbH are manufactured using the latest level of the technical knowledge for the paper production and with raw materials and additives, which are in compliance with the legal requirements for materials and articles to come in contact with food.

Echo Glassine colored grades paper fulfil the requirements of the legislation listed below and may be safely used for food contact applications as specified in the annex I attached to this declaration of compliance, at temperatures of application below 90°Cⁱ,

- Commission Regulation (EC) No 1935/2004 of the European Parliament and the council;
- German Foodstuffs, Consumer and Animal Feed Code (LFGB) §30+31
- Recommendation XXXVI of the BfR (German Federal Institute of Risk assessment) and

Furthermore, we confirm that Glatfelter manufactures our papers in accordance with

- good manufacturing practice and comply with Commission Regulation (EC) No 2023/2006 which is an implicit requirement for materials and articles in contact with food under Commission Regulation (EC) No 1935/2004;
- the requirements of the ISO 22000:2005 standard food safety management systems (Hygiene management system including HACCP) and
- ISO 9001 quality management system.

Compliance with the above regulations has been confirmed based upon our assessment of current composition, raw materials and additives information provided by our suppliers and migration testing of representative samples.

Yours sincerely,

Product Compliance Department
Glatfelter Composite Fibers
