## DECLARATION OF COMPLIANCE

### **Grades: ECHO® GLASSINE, bleached glazed, bleached opaque glazed, bleached WIN HT glazed, standard and slip easy**

We herewith confirm that Glassine papers produced in Glatfelter Ober-Schmitten GmbH are manufactured using the latest level of the technical knowledge for the paper production and with raw materials and additives, which are in compliance with the legal requirements for materials and articles to come in contact with food.

The above mentioned papers may be safely used for food contact applications in direct contact with **dry, moist and fatty** foodstuffs at temperatures of application below 90°C <sup>1</sup> and fulfil the requirements of the legislation listed below.

- Commission Regulation (EC) No 1935/2004 of the European Parliament and the council;
- German Foodstuffs, Consumer and Animal Feed Code (LFGB) §30+31
- Recommendation XXXVI of the BfR (German Federal Institute of Risk assessment) and
- American FDA regulations 21 CFR Ch. I §176.170 and 176.180.

Furthermore, we confirm that Glatfelter manufactures our papers in accordance with

- good manufacturing practice and comply with Commission Regulation (EC) No 2023/2006 which is an implicit requirement for materials and articles in contact with food under Commission Regulation (EC) No 1935/2004;
- the requirements of the ISO 22000:2005 standard food safety management systems (Hygiene management system including HACCP) and
- ISO 9001 quality management system.

An independent institute regularly investigates and confirms our compliance with the above regulations and rules which confirm compliance.

Yours sincerely,

Product Compliance Department  
Composite Fibers Business Unit
